Hi Mary and Brad,

I know we have expressed our appreciation verbally to you both, but we thought you should have a formal thankyou.

From the onset of the project we found both of you to be honest, sincere and dedicated to providing a quality built home. As the house took shape we relied heavily on your opinions and sound judgment to convey our expectations and ideas to the contractors. The house turned out great!

Looking back, it would have been difficult to find any other contractor who could have provided such a service and we would highly recommend MCA HOMES to anyone who is considering building a new home . We not only found a great building contractor, but also new friends.

Once again, thankyou

Allen and Jean Ladd
