

May 26/90.

Brad and Mary,

We would like to thank you both very much indeed for the building of our house.

Brad, we would highly recommend you for your quality workmanship, and Mary, for your very important role - 'behind the scenes' - organization and follow-up of all sub-trades, record keeping, etc. etc. - great teamwork!

Your honesty, integrity & conscientiousness was very much appreciated.

Thank you.

Don and Terry
